Sir:

INFORMATION DISCLOSURE STATEMENT

The following citation of Patent Art and/or other information is being submitted to comply with the duty of disclosure under Rule 1.56. It is hereby requested that the Examiner consider the art and/or other information cited on the attached PTO Form 1449. The references cited on the attached Form 1449 were cited in the International Search Report. A brief description of several of these cited references can be found in the International Preliminary Examination Report.

Copies of the cited art are enclosed herewith.

It is not intended that the cited art be construed as the best art available, and it is urged that the Examiner conduct a full, complete and independent search and evaluation of all available art.

Applicant and/or his attorney or agent may have been exposed to other art related to the general area of the subject application. If such exposure has in fact occurred, applicant and/or his agent may not have made a detailed analysis of such other art and/or its relation to the present invention. It is respectfully requested that the Examiner not rely upon the above citation for any evaluation of the subject application and include all available art within the scope of his independent search.

Respectfully submitted,

JAMES RAY & ASSOCIATES
